

## IMPROVING HEALTH AND WELL-BEING

### Launch of FareShare

CFINE was delighted that the (then) Aberdeen Lord Provost John Reynolds took time to launch our FareShare scheme.

The Lord Provost confirmed that Aberdeen City Council had allocated £20,000 to support the FareShare scheme and this good news was built on when Tony Lowe, Chief Executive, FareShare UK confirmed that they would continue to cover the lease in 07/08 of our Mercedes refrigerated van. FareShare UK has also covered the cost of racking and walk-in refrigeration – very welcome resources!
