

## IMPROVING HEALTH AND WELL-BEING

CFINE is delighted to have been supported through the Scottish Government's Third Sector Enterprise Fund which awarded us nearly £70,000 for a number of capital items, refrigeration, van, telephone and new technology systems, much needed for us to grow our enterprise – and arguably most importantly the salary for 10 months for a Manager (Enterprise and Finance), a wonderful new member of the team who can focus on marketing, bringing in new business.

CFINE is 'going like a train' and to maintain the levels of community development and activity needs increased earned income. The post has been advertised; anyone wishing an info. pack, or you would like more info. re CFINE, contact Lisa 01224 596156 / [info@cfine.org](mailto:info@cfine.org) website [www.cfine.org](http://www.cfine.org)

Fruit's Cool!
